

*Admission for Phase I*

November

1. During 2 therapy sessions you will explore in depth with your therapist your entrance to the program (on Skype or in person).
2. Write a summary of the therapy sessions and send it to the mentor.
3. A mentoring session to review the year and close the cooperation. After this the mentor will write a confirmation to the study coordinator informing of the completion of Foundation Year by the student and with additional requirements and support for the student to go on to the Diploma training.
4. Request admission to the study coordinator.
5. Send confirmation of € 120 transfer for the admission interview to the bank account (Caixa enginyers): ES87 3025 0011 7114 0009 4123
6. The study coordinator will organize an admission interview for the student with two certified process workers (via videoconference or in person)
